POWER ANYWHERE. BUILT TO BLEND IN.

DESIGNED FOR MODERN WORKSPACES.

Workspaces are evolving, becoming more flexible, more collaborative, and more design conscious. QikPac Carry has been created to integrate effortlessly into these environments, delivering portable power exactly where it's needed.

Ideal for:

- Hot-desking and agile working
- Meeting rooms and breakout areas
- Training spaces and events
- Libraries, education and shared environments

With no fixed installation required, QikPac Carry keeps people powered without clutter, disruption or compromise on aesthetics.

USB A+C FAST CHARGE

Delivers high-speed charging for all compatible devices.

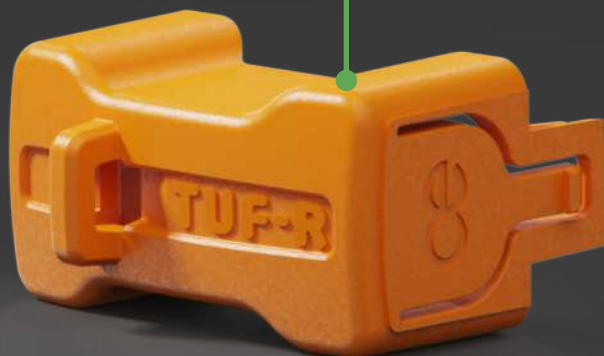

PATENTED HOUSING

Secure, durable design ensures long-term performance.

TUF-R®

OE REMOVAL TOOL

Engineered for safe, effortless cartridge replacement.

THE COLOUR PALETTE.

REFINED FINISHES. ONE CONSISTENT DESIGN LANGUAGE.

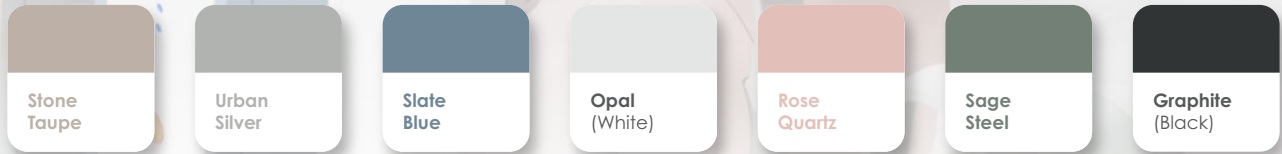

QikPac Carry is available in a carefully selected range of finishes inspired by modern materials and commercial interiors.

This palette introduces a softer, more refined aesthetic to portable power, ensuring QikPac Carry looks as considered as the spaces it supports.

Available finishes:

- Stone Taupe
- Urban Silver
- Slate Blue
- Opal (White)
- Rose Quartz
- Sage Steel
- Graphite (Black)

A cohesive design language that works across all workplaces, education and hospitality.

PORTABLE POWER THAT EVOLVES. FEATURING THE TUF-R® ECOSYSTEM.

Portable power that works harder for your space. QIKPAC CARRY delivers the OE standard of performance, durability and design, now available at a reduced price as part of a limited stock transition.

ANIMATE EDITIONS:

- PROVEN OE BATTERY PERFORMANCE
- DESIGN-LED FINISHES FOR MODERN INTERIORS
- PORTABLE, FLEXIBLE AND EASY TO DEPLOY
- OUTSTANDING VALUE WHILE STOCKS LAST
