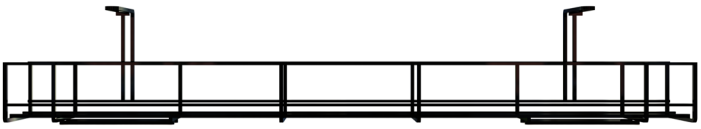
Single 750, WHITE

Single 750, GREY



Single 750, BLACK

The PRODIGY cable basket offers a unique combination of features: speed of installation, strength, versatility, aesthetics and a configurability unlike anything that has been seen before within a cable management system.

The PRODIGY cable basket is compatible with OE Elsafe Qikfit Power, Data and AV components which simply 'click' directly onto the face or back of the basket.

Prodigy is available in single tier, double tier or single tier 300mm wide for double width desking systems. The single tier baskets are also stackable to create a sturdy multi-tier solution within a matter of seconds.

These features combined with the built-in mounting brackets make 'PRODIGY' simply the fastest cable management system to install today.

prodigy FEATURES

WIDE VARIETY OF LENGTHS & CONFIGURATIONS:

Single tier available in four lengths:

• 750mm • 950mm • 1250mm • 1550mm

Double tier available in two lengths:

• 1250mm • 1550mm

Stackable:

Single tier baskets are stackable to create a sturdy double tier system without the use of external brackets within a matter of seconds

Back to back solution:

Single tier baskets can be used 'back to back', allowing all the benefits of a double tier basket within minimum height requirements – ideal for 'sit to stand' desks.

SPEED OF INSTALLATION

Designed to allow the OE Elsafe 'Qikfit' range of Power, Data and AV products to simply 'click' directly into the face of the wire basket without the need for extra clips, panels or adaptors.

Allows all interconnecting leads and data leads to be kept in basket itself, saving time on installation.
In-built extended mounting arm for easy fixing.

No screws supplied. Securing fixings may vary due to surface depth and surface material, as such fixings are to be supplied by the installer.

A long drill bit or drill bit extension is required to fix bracket to undersurface

VERSATILITY

The simple 'click in/click out' installation allows for fast and easy reconfigurations or changes that may be required on site.

FLEXIBILITY & STRENGTH

Engineered with a combination of 3mm square wire to allow the flexibility required for Power, Data and AV installation, and 4mm square wire that gives the PRODIGY its unparalleled sturdiness when installed.

COST EFFECTIVE

In-built mounting arm & snap-in functionality = no additional brackets, clips or panels required for installation.

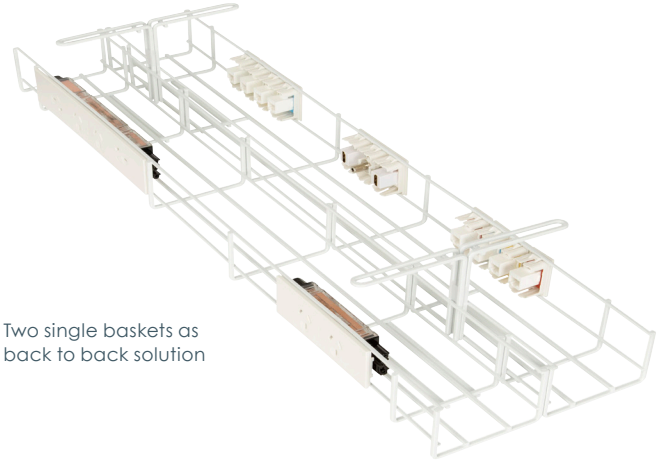
COMPATIBLE

Compatible with the Prodigy Umbilical Mounting Bracket for a complete sleek cable management solution.

COLOURS

Available in three colours: white, black and grey.

Two single baskets can be stacked for a two-tier solution



Two single baskets as back to back solution
