

# axxessPLUS DUO

---

AxxessPLUS DUO is a frame-less, perfectly flush, in-desk box that provides connectivity to services from both sides of a conference desk or boardroom table.

Designed to complement the workspace axxessPLUS DUO sits flush for a streamlined look while providing easy access to power, TUF USB fast charging, data and AV services. TUF-HP USB C laptop charging is also available as an option.

AxxessPLUS DUO comes with two lids edged with black brush pile strip to facilitate cable feed.

Available in black, white or naturally anodised aluminium or can be veneered to perfectly maintain the superb finish of the work surface, complimenting the design of the workspace.

AxxessPLUS DUO is available in 302 mm or 442 mm lengths with longer custom lengths available by request.

# axxessPLUS DUO TECHNICAL
