

pendulum

Less is definitely more with our “minimalistic” PENDULUM power module. Designed to provide the user with a conveniently locatable power or USB charging socket, PENDULUM not only adds style but also a splash of colour to the workplace with eight exciting bezel colour options.

A single PENDULUM module can be securely fitted under surfaces using the compatible mounting cage and comes with an optional cable tidy. Alternatively, up to three PENDULUM modules can be conveniently located in the centre of a meeting space using the OE Elsafe triple PENDULUM Cradle.

PENDULUM can also be fitted into a flexible chrome gooseneck to provide an innovative solution for providing power to casual seating areas and other special applications - see POSE for more details.

TUF-PD Charger

TUF-R Charger

Unit Dimensions

Wire Underdesk Cage Mount

Above desk Triple Pendulum Cradle

Features

Configuration:

The PENDULUM single socket apertures may be configured with our class leading TUF-PD USB Fast Charger or an AC power socket from the OE Elsafe 42mm modular range.

Construction:

High strength fire retardant polycarbonate mouldings and flexible cable gland.

Colours:

Main body - white or black

Power socket fascia - grey or black

Socket bezel - white or painted in one of the 9 colours shown below

Cable gland - black

Power cable - white

Soft Wiring (power):

Power cord hardwired direct to a mains AC plug, or hardwired to a male Wieland GST connector for "soft wiring" e.g. connection to an under desk module or to a mains supply socket via a starter cable.

Installation:

Standard fixing options are the two part under desk wire cage for single unit or the 80mm grommet cradle for up to 3 units. Not recommended for ceiling mounting.

Alternatively PENDULUM can be fitted to a flexible steel "gooseneck" - See POSE

Quality and Testing:

All PENDULUM units are manufactured using ISO9001 quality controlled components and practices and are 100% electronically tested before dispatch

- Visual: Configuration and appearance
- Power Sockets: Continuity, polarity, insulation & earth
- USB Charger: Output voltage and resistance

Pendulum is design and intended for commercial use.

Optional Underdesk Cable Tidy

Black White or 8 Bezel Colour Options
